Offering free Hebrew/English New Testament to any Jewish Person

Shalom Dear Friend,

The LORD raised up the nation of Israel, and through the Jewish people, gave the world these three great blessings:

1. The Holy Scriptures.
2. The Way of Salvation,
3. The Promised Messiah, our Saviour.

Out of gratitude to the Jewish people for their gift of the Bible to us, we desire to present to every Jewish home a free copy of the New Testament ("the New Covenant" mentioned in Jeremiah 31). If you are Jewish or know a Jewish person you could give it to, all you have to do is go to our website to request your copy, and your new Bible will arrive in 4-6 weeks!

At the end of this edition, we have included **a special section of fulfilled prophecies** made in the Tanakh along with **Rabbinical quotes** to show that many rabbis also interpreted the verses as referring to the Messiah.

Sincerely,

The Hope of Israel
